

The Sound Company Ltd | Covid-19 Status | Friday 25 Sept 2020

Hello good people! Friday 25th September onwards...

-

Where possible we should still keep 2m apart, but 1 metre is acceptable with masks according to HM Government.

Please refer to the UK Government website for the most up-to-date information:
<https://www.gov.uk/coronavirus>

From today we have 4 studios open with a skeleton staff (but hard core!)

****Please wear face coverings * We are social distancing within our 6,500 sq ft building****

Bookings is behind a special screen in reception:

bookings@sound.co.uk +44 (0)207 580 5880

Upon arrival at the studios all visitors will be required to take a hands-free automatic temperature check, log their temperature and provide their name and phone number for track and trace purposes.

-

Studios 1, 2 and 3 and 5/6 are open for sessions.

Obviously we are taking strong extra precautions and having regular deep cleans. Microphones and pop-shields etc. are being suitably cleaned after each use.

If you can link into sessions remotely, please do so - e.g. Skype & browser applications. If you are attending, please wear a mask. Try to get in without using public transport if at all possible. If you do need to attend, and have no alternative to public transport, then you need to wear a face covering.
<https://www.london.gov.uk/coronavirus/face-covering-guidance>.

It's starting to get busier, so if you have a backlog of, say, comm records to do - book in some time - even if for late Autumn / Winter.

Podcasts, Multi-broadcast radio days, TV & Radio Ad VO recording, mixing and Narration recording are all possible without the need to attend the studios.

We're happy to help out over the phone to get a remote connection going that works for you.

Runners, in-house Barista-style coffees, our usual selection of delicious biscuits and bought-in meals are *temporarily unavailable* for sessions.
